Presidents Note January 2020

Happy New Year to all. Hard to believe but it is time to say good-bye to 2019 and hello to 2020. I hope you all have fun ringing in the New Year.

Winter is the time of year when our “T” related activities slow down. That’s the bad news. But the good news is it affords us an opportunity to reflect on what we did last year and what we would you like to do throughout the New Year.

Plans are now getting underway and we really need your input. Jack & Marge are already hard at work developing activities for 2020. Additionally, they are going to make a rolling 3-month activity calendar so that we will always have 3 months of activities at a glance. This should help all of us keep track of what’s happening in the short term as well as a longer view. More on this later.

During our last meeting at John’s, Anne made a great suggestion for a tour (visit some Laurel Gardens which bloom in June) and then have lunch at the Wayfarer Restaurant. This is the kind of input we need!

I am asking each of you to think about what we can do that is perhaps new & different or maybe something we have not done in a long time. Perhaps you know of a great picnic site, or a fun restaurant to go to. There are places we have not gone in years like the Up & Down Saw Mill or Clyde’s Cider Mill. We will share our thoughts at the January Monthly Get-To-Gether at John’s.. All input will be greatly appreciated

Wishing you all a very Healthy, Safe and Happy New Year!

Pete,
