

TIN LIZZIE GAZETTE

VOLUME XV

JULY 2019

ISSUE 7

Fellow club members

Sadly, this past month Russ Perry's wife past away after a long illness. Diana was an active member of the Four Seasons for many years. I know I speak for the entire group in sending our sympathies to Russ and his family. The Four Seasons will be making a donation to the Ovarian Cancer Foundation in Diana's name.

Our club continues to receive very good “press” regarding the Cut-away engine. Did you know that the engine has been on display at more than just fairs and tech schools? It has appeared at Lang's, Popeye's, Lil Rhody Car Show and more. While this achievement may sound easy, it takes time, effort & dedication to bring the engine to so many events and then to hang around and answer questions. Jack and Marge, many thanks for taking the time to share the cut-away with so many people.

Happy Motoring
Pete

Tours With The Cut-A-Way

In the month of May 9, May 18, June 2

May 9,-- Norwich tech – Norwich, Ct.

We had a 13 car turnout, which was a good showing. The students were attentive when showing the engine and were anxious to get the feel and ride in an OLD vehicle. Even the instructors were interested in the engine and transmission which they are going to be teaching next year.

May 18 – Popeyes – Killingly, Ct.

There was a good attendance, and the cut-a-way was a hit. There was a lot of questions about the Mag, and the transmission. Popeye was thankful and so were many of the lookers, as they said thank you for the demo and for bringing it to the tractor show.

June 2 – Little Rhody Pontiac car show – Lincoln, R.I.

When we arrived, some of the members did not know what to expect until they saw the cut-a-way in action. At the car show, which was open to all makes, the participants were equally enthused. Some even asking where we (the Four Seasons Model T Ass.) found the cut-a-way. When I told them we (the club) did all the cutting and painting, The people asked more about the cutting and learning about how it works. There was a trade off of a trophy sponsorship (\$25.00 value) with the caption reading Presented by the FSMTA, so this trophy will be on someone's shelf with our (the clubs) name on it.

The trade off was that Marge and I show the cut-a-way and we get the clubs name on the trophy.

June 8 – Old Sturbridge Village – Sturbridge, Mass.

Starting off from the house at 8:30 AM it was an enjoyable ride. Meeting in Southbridge with Harold and Colleen, we ventured to OSV. When we arrived at the village we were greeted and given an ink well made at the village by hand at the pottery shop. Then we were led to the common and parked in the shade where we rubbed elbows with Stanley Steamers, Packards and other makes of autos. There was about 85 cars of all makes.

The village was open to the public and we could walk around at our leisure. The craftsmen were demonstrating their trades. Pottery, blacksmiths, barrel makers, tinsmiths, were some of the trades, and the barns and homes were open to the public. Some were making meals on an open fire for the workers to eat.

All in all it was a very nice day and we hope more can come with us next year.

Thanks
Marge and Jack

Still more places to go in JUNE

JUNE 16,2019—Breakfast at the ELKS 8 am sharp!!!!!!!

JUNE 23,2019---Brooklyn Truck Show, Flea Market—Brooklyn CT.

JUNE 27,2019—Midway Diner, RT44-Ashford Ct.-5pm
