

TIN LIZZIE GAZETTE

VALUME X

ISSUE 10

OCTOBER 2019

Its time to pick Apples again. Don't forget your coat!! Or maybe you pick pumpkin's don't step on the vines they will jump and grab your leg!

President's Note - October's Newsletter

George gave us quite a scare last month but thankfully he is “on the mend” and eager to get back to work on his new project car!

Once again the cutaway engine was a big hit at both the Brooklyn and Woodstock fairs. I want to thank all those who assisted Jack & Marge with setting up and demonstrating the engine. I was really pleased to see Laura Gravelin sharing her knowledge on Model Ts as well. She did an excellent job!

And, speaking of fairs, both Ray & Laura received recognition at the Woodstock Fair for their culinary expertise. Ray 1st place for his *bread* entry which qualifies him to advance to the State of Conn Bake-Off Competition. Laura earned 1st place for her *Maple Squares* and 2nd place for a *Birthday Cake* submission. Congratulations to you both!

Congratulations also goes to Jack & Marge as their '28 Pontiac won the *Popular Choice Award* at the Lanessa Extended Care Center Car show.

It has been said time and again, Model Ters are a great bunch and always help / support each other as needs arise. Jack & Marge certainly demonstrated this by helping diagnosis a problem with my “charging” system. I am most appreciative for their support.

Happy Motoring

Pete

Ps: Don't forget our Annual Meeting, Nov 17th.

Woodstock Fair

1st place---Congratulations goes out to our own member and fellow "T"er, **Ray**.

Not only he won the [**1st place**] but the opportunity to enter in the Ct. Bake off. Good luck Ray

And then there is **Laura**. She is Ray's wife. They both compete in baking at the Fairs

Laura go First place, that is a **blue ribbon**, But I did not get a picture of the Maple Squares, but I did taste one of them and it was scrumptious .

This Cake is Laura's, it got 2nd place or a red ribbon, it should of got first. The cake has Red Raspberry and Blue Berry's on the top of a vanilla frosting

Lanessa Car Cruise

On Sept. 14, Lanessa Extended Care, Webster, Ma. had a Car Cruise at there facility. The processes went for Alzheimer's Research. There were 62 classic car's . They had trophies for 1st , 2nd , 3rd place and peoples choice. Jack and Marge got the peoples choice.

| Mainely T Tour

Machias, Me

September 2-8, 2019

Again we go a day early to get settled in and find a good spot to park the trailer.

Monday was check in day.

Tuesday we headed to Lubec where we crossed the border into Canada to tour Campobello Island, We visited parks, saw lighthouses, had lunch and had a great ride on a dirt road through a park. Our opening banquet would be tonight.

Wednesday we left Machias heading to Columbia Falls which is the headquarters for Wreaths Across America. On the way we stopped at Balsam Valley Chapel, Here are many acres of trees that get used for the wreaths. We had a great tour of the facilities and a great lunch.

Thursday we visited a model railroad display. It was amazing at its size, it took 20 years for the couple to create it. We saw many granite sculptures, part of the Maine Sculpture Trail, on our way back after our box lunch.

Friday we headed back to Lubec to tour the town and have lunch. On the way we passed the US Navy's very low frequency shore radio station transmitter. The station provides one-way communication to submarines in the Navy's Atlantic Fleet both on the surface and submerged. It is one of the most powerful radio transmitters in the world built in 1960 and became operational January 4, 1961.

Saturday was a rainy day, rain from the hurricane, so everyone drove their tow vehicles. We again picked up a boxed lunch and headed to Liberty Hall and Gates Museum and Machiasport Historical Society. We next went to Fort O'Brien State Park and Jasper Beach. We arrived at Rogue Bluffs State Park where we ate our lunch. We returned to Machias where we would have our closing banquet tonight.

Ron and Fran

New England Brass and Gas Tour

Whitefield, NH

June 23-28,2019

We headquartered in Whitefield, NH, a small town with a population of 2300.

We arrived a day early to get settled in.

Sunday was a day of registration and renewing old friendships. Tonight would be our opening banquet.

Monday we crossed the Connecticut River into Vermont to St. Johnsbury to visit the 19th century Athenaeum and the Fairbanks Museum, have lunch, then an ice cream stop along the way back.

Tuesday we headed to Clarks Trading Post to spend the day having lunch in North Woodstock or Lincoln. Afterward go up through Franconia Notch to visit geological treasures.

Wednesday we visited the Mount Washington Hotel where we would have lunch. Wearing vintage clothing was encouraged.

Thursday we drove around Mt. Washington stopping at the Gorham Train Museum, then south to Pinkham Notch. After lunch we returned through Crawford Notch. Going through Randolph we passed where 10 motorcyclists had been hit by a pickup towing a trailer, seven of them dying. The car broke down today and we needed a tow back to our trailer.

Friday we went to Cannon Mountain for a tram ride to the top where we could spend time and have lunch. We also a wedding party coming to the top for their ceremony

Tonight was our closing banquet.
