

TIN LIZZIE GAZETTE FEB.,2019

VOLUME
XV
ISSUE 2

It's Valentines day almost

oops

Don't forget me! On Feb. 2

Now from the President Mr. Peter Smith

Cold weather did not stop us from having a great January meeting...Eighteen of us including the photographer:

Thanks,, to all who brought their favorite tool and/or accessory in for discussion. Pictures of these items will be submitted to the editor of "Vintage" for possible showcasing in an upcoming edition. More on this later.

As a reminder, I mentioned during the meeting that I wanted to put together a "Four Seasons Poster" of the Forth Season, AKA Winter. Please send to me any winter pictures which feature you and your car in action! Pictures do not have to be just from this year, so start digging through your shoe box full of old memories and find some photos!

As expected our activities during the first quarter are limited but nevertheless be sure to check out Jack's Calendar of Events as new things do crop up from time to time (possibly a fund raiser dinner?? just sayin)

Stay Warm

Pete
