

TIN LIZZIE GAZZETTE

VOLUME XVI

JUNE 2020

ISSUE 6

Can't stop here. Not open!

A note from our President Peter

Although there are lots of things that get canceled each month, I continue to hear that many members are still staying active doing Model "T" related stuff...repairing rebuilding, ordering parts/accessories. going for rides, even joining in on a Memorial Day Car Parade. Despite the ongoing adversity, our love for the hobby remains strong.

During these difficult times it's especially beneficial to keep in touch with friends and family. It helps keep everyone feeling "connected". As a club it is a bit more difficult to reach out to everyone. We do have our monthly newsletter and Jack's weekly note, which keeps us informed. Please keep contributing.

Recently I have been exploring the use of Zoom, a computer based conferencing service, which enables us to see & talk to one other via our computers. Since we haven't been together in a while I thought it would be fun to try it out. We are ironing out the "bugs" with small test groups and plan on trying a club-wide call on June 10th at 7 PM. I will be sending out more information on this shortly. Should be a fun experience and we'll get to see who needs a haircut the most! (Hint: It won't be Jack)

Also, we have been exploring a possible "safe" tour if there is sufficient club interest. It would basically be a follow-me-tour with no face-to-face interactions. Just an outing. Anyway, think about it and we can kick it around on the 10th.

Stay Well....Pete
