Looking back at 2019 –

TOUR REPORT

it was December and we had a good list from Santa. I am glad to report that no one on the list passed away from the covid that had the club in turmoil. In saying that, not much went on in 2020.

The notes that were sent to the NEWS Letter by the members were helpful in getting us by. Especially from George King III for keeping us informed on the progress of the Orient.

The dreaded no finger food was a bummer that started 2020. Meetings out side but at a social distance was maintained. Not many members attended. And we all understood. We did have some picnics . One was when John had his 87th birthday. And Marty sat on a log. But he did not mind.

Another tour we went on,-- we went to corn field that turned out to be Ed's brothers and took some pictures , and ended up at the Lebanon History Museum where we ate on the patio. Ed opened the Museum so we could use it for our convenience.

In November 2020 our annual meeting was at Johns, just like tonight.

Through out the rough times of the virus members were sending notes on what they were doing. When the weather and the virus got better we had a few tours and a lot of fun getting together after a long wait.

Now that the this year is behind us and we all came through it. Next year we can have more tours and more members can join us.

If anybody has a suggestion just say so.

Jack

Tours????????? what tours??

NO MEETINGS TILL MARCH 8th, 2022

If something comes up you will get a news letter bringing that to your attention

Ned Lloyd will be doing the NEWS LETTER. Starting January 2022

Please send you thoughts and/or suggestions to NED at:

esklloyd@msn.com

Or send to Marty or Ed or even Jack

NO TOURS AS OF NOW FOR DEC.

Jacks Note :

December is a happy time and yet it is sad.

On the happy time – the Christmas Tree will go up and the neighbors decorate their house and you will be encouraged to do the same but better. The kids will be wishing for things Santa will bring. The family get together, the food. The opening of presents and the mess you will clean up.

On the sad side- the cold weather is around the corner and the snow is coming. The year is coming to a close. And wishing that we could go on a picnic once more. And promising that next year will be different.

But all we can do is to have a Merry Christmas and try to make the best of it.

With that in mind, Marge and I wish every one a Merry Christmas

Marge and Jack

Nov. 6th, 2021

Popeye's open house was on Saturday Nov. 6th. It turned out to be a nice day with clear sky's and plenty of sun. At least 60 people showed up.

There were plenty of tractors, hit and miss engines, one model "T" that Henry came with and the cut-a-way that I came with. It is still a big hit. Of course it was set up by the toilet and that did not hurt

The food was plentiful, the beans that Anne made were delicious. The seven of us members that came ate well.

I did not think of taking pictures till the end of day. Sorry. jack
