## Presidents Report April/May 2024

Good day members and Associates;

I was happy to see 14 members at the April meeting. There was much talking about nothing BUT when the cupcakes came out that Henry's wife Janet baked, there was peace. And the meeting started.

There was a talk about the group picture and decided on July 14, 2024. That will be on a Sunday. If you can't make it, maybe we can work it out. If you think it is to far and want to trailer the car,we have room. You don't have to bring your old car, but it would be nice. You can stand in front of the others and smile. Don't forget your better half, if you do that is on you. \*\*\*\*

The Empty Bowl was on March 27, I would like to thank all 8 of our members that came. As you can see the soup was good along with the 30 plus soups you could choose from and go back as many times as you can.

## More on the Empty Bowl

In back of that woman is John. I didn't get a picture of Anne but if you would like one I will find one and send it to you. Joking aside we all had a good time and plenty to eat. Hope to see you at the next Empty Bowl.

There were more story's and more eating of those cup cakes .

If you are in the market of a Florida retreat Ed has a nice place for sale.

Don't forget **Zagrays Spring show**. If you bring your old car you get in **FREE** . I will be there set up, so stop and say hi.

There will be some rosters available at the next meeting. If you can't make the next meeting email me and I will mail it to you. Next meeting on May 8<sup>th</sup>

\*\*\*\* The picture will be July 14 at Johns Shop [ where we hold our meetings ] you can learn more at the next meeting

Thank You,, Jack
