President Report  
JUNE 2023

Hello Members,

We have been kept busy lately with a Memorial Day Parade, Second Saturday at the Lebanon Historical Society, a tour and picnic at Hopeville Pond State Park. Then last week our meeting was held with a birthday party and surprise entertainment. This coming Sunday, June 25, there is an Antique Truck Show at the Brooklyn Fairgrounds.

What are we going to do in July to beat the month of June?

Hope you are all enjoying yourselves this summer. Don't forget to check our events listing for July, and see what you can join us in doing.
