FAIR TIME

August / Sept. report
2023

Hello Everyone,

First of all I would like to welcome two new members, Sam Kilpatrick and Jake Provost as of August 9. Also Stuart Woronecki and Thomas Smith have joined our group this year. Welcome all. Anyone joining the FSMTA in the second half of the year, your dues covers the remainder of the year and next year.

The Fair season is rapidly approaching. So far we will be going with the cut-away engine to the Brooklyn Fair starting on August 24 thru the 27th. As you all know, there is no gate fee if you come in with your car. Come to the gate for old cars on Rt. 169. If you are walking in to help with the cut-away display, they will let you in at the same gate. The cut-away display will be on the right after the red blacksmith shop, across from the chicken and rabbit house.

As far as the Woodstock Fair goes, the club will go in with your T's on Sunday Sept. 3rd. Try to be there around 9am and bring a chair. The cut-away will **NOT** be on display.

The second ice cream run will be discussed at the next meeting. The ice cream run that was intended for August 5th was canceled. When I went to Johns for 1:30, there were 2 members there. When I asked if they wanted to go to Bogeys or make another date, they chose the later date. The next ice cream run will be closer so as not to scare members away. The destination and date will be decided at the next meeting.

See you at the fair
Jack
