

TIN LIZZIE GAZETTE

DECEMBER 2023

Volume XIX

ISSUE 12

Hello & **MERRY CHRISTMAS** & **HAPPY NEW YEAR**

This year came and went before you could say MODEL T . Next year will have better weather-I hope – and more chances to get the Model “T” on the road.

At the last meeting we talked about the thank you letter we got from the MTFCA in Indiana for the \$100 dollar donation we sent.

There was talk about the next 2 or 3 meetings being held or not. We all agreed that if there was bad weather we could cancel . So there will be meetings though out the winter ~~I hate to write that word~~

If you have any pictures from the past or present send them to me so I can post them on our website. Marty has sent some pictures to the MTFCA the address is in the Vintage Ford. His pictures were in the center fold a few times. So that makes him a pro.

Jack

Now from Marty
