NOVEMBER—DECEMBER--2023

VOLUME XIX

ISSUE 11

PLACES TO GO==THINGS TO DO== Well there is not a lot to look forward till **Dec. 13th** that will be the last meeting at **Johns for the year.**

The Annual Meeting and Christmas gathering went over good. It was nice to see every one after not seeing you for the last three years at an annual firehouse

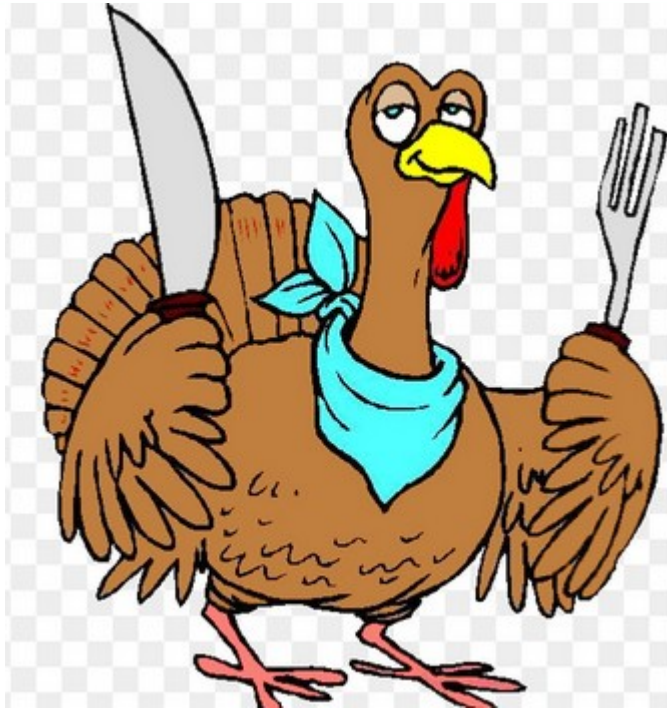

The annual meeting was meant for the election of officers. So no one wanted a change and were happy with the way things were running and where the Club was going. Therefore the slate stayed the same with Marty Peterson as our Director , Ed Tollmann the treasurer, Anne Supina secretary, Peter Smith as vice president, and Jack LaRoche as the President.

President Report

Hello fellow Members ; This coming meeting we will be discussing the up coming meetings, whether we will come in the cold and the big snow storm the weather man is predicting. I myself would rather be setting in front of the tv. So if you come to the meeting you will hear just what we will do.

Another thing is the membership dues are due on Dec. 31, If you did not pay then here is your chance. --come to the meeting.--
Jack

Hello Turkey Lovers :

Marge and I are hoping your turkey is as good as the one that was at the Annual Meeting.

I would like to wish every one a Happy Thanksgiving.

President Jack.
