

2022==Annual==Report

Hello Everybody:

As you all know, our annual meeting was held on Wednesday, Nov. 9th at Johns. There were 13 members in attendance. Our secretary, Anne, gave a recap of our year. Marty and Tim added their memories of certain events also. Ed, our treasurer, had an accounting of our financial well being. We are in good shape, even with our various expenses during the year, we managed to raise a little money and kept our finances on the level. Marty will continue dreaming up new tours for us. We enjoy them. He always takes us somewhere we have never been. Pete, our vice-president manages to keep our affairs organized, keeping track of our members and giving us a new roster every year. Ned continues to keep us educated with all his additions to the newsletter.

A copy of Annes report will be included in the newsletter, as well as a form for members dues for 2023. It is due in January or before. Everyone at the meeting paid their dues as well as a few that we caught up with at George Kings open house.

As no one expressed an interest in any of the club offices, everyone presently in office will continue for another year. We know that a lot of you are still concerned about covid and have stayed away, but we hope next year will be a healthier one. We wish you all have good holidays and a healthy winter. We will be in touch with newsletters until we can meet again in April or maybe March if the weather permits.

Regards,
Jack LaRoche
President FSMTA
