AUGUST, 2018 VOLUME XIV, ISSUE VIII

Remember the days it was cold, Don't complain about the heat

## AND NOW A WORD FROM OUR PRESIDENT

Hello Members, Even when the weather does not cooperate Model "T"ers still have fun! Case in point...unbeknownst to us our *ICE CREAM RUN* destination decided to close due to rain. Of course we didn't know this until we pulled into there parking lot. Undaunted by this sudden turn of events, we quickly modified plans and had a nice Pizza dinner at a local restaurant Even though we didn't have ice cream, we had a good time getting caught up getting and discussing upcoming events.
