MERRY CHRISTMAS TOO ALL

## From the Presidents Corner - December

November marked our 20<sup>th</sup> Annual Meeting which was held on a new date this year... *3<sup>rd</sup> Sunday in Nov.* This seemed to work well as we had very good attendance so it most likely will become our future Annual Meeting and Holiday Party date. Anyway, we covered a number of topics, three of which I have highlighted below.

First, Marty choose not to run for VP & Event Planner again this year. He has served the club tirelessly for a number of years in positions of: Vice President, Events Planner and Newsletter Editor. He and Linda have planned and lead us on countless tours & events that we have all enjoyed. We are all very grateful for the many years of dedicated service given to the club. NOTE: Marty will still be expected to arrive at all events "SHARP".

Second, I am very pleased that Jack & Marge have accepted the VP & Events Planning positions. They will assume these new duties while continuing to put together our monthly newsletter! I ask that everyone provide them a helping hand by suggesting touring ideas, as well as newsletter articles and/or pictures of events.

Third, In recognition of our anniversary year, we published a list of the very first club members, 3 of which are still FSMT members today, George, Roland and John Leone. George then gave us some insight as to how our club originally got established. Finally, we topped the day off with a special cake made by the *Culinary School* at Windham Tech. The cake depicted a Model T traveling down a dirt road and passing through 4 distinct seasons. Very clever! (see pics on website).

In closing I want to I want to thank everyone for the feast which we all enjoyed! This year was exceptional!

Hope everyone is having a great Thanksgiving Holiday

Pete
