President's Note – Feb 2020

So far this year, winter has not been terrible (knock on wood). Nevertheless, I know a number of you still wait-out ol' man winter by heading south. For those of you who do so, you may become homesick for your "T",. Here is an easy fix...just treat yourself to a meal at one of the *Fords Garage Restaurants*. There are at least 7 locations in Florida to choose from...

Brandon

Cape Corral

Countryside

Estero

Fort Myers

Kissimmee

Lakeland

Just "Goggle" Fords Garage Restaurant and get the complete story about this chain.

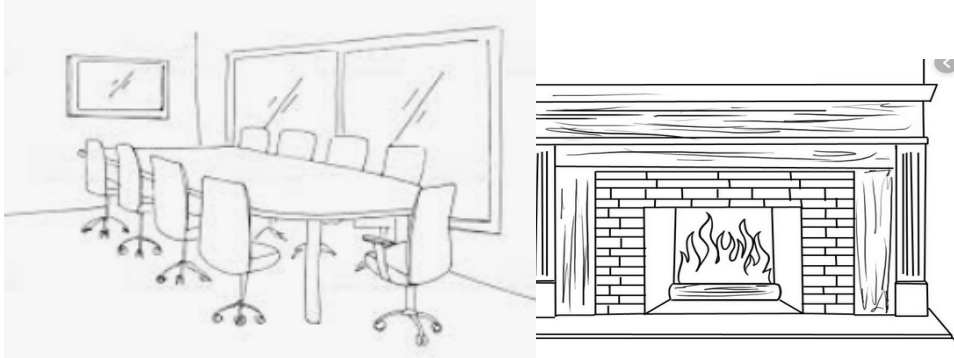

Just a reminder, if you haven't paid your dues, now would be a great time to do so. I will be submitting our 2020 Roster to National at the end of this month and I don't want to miss anyone!

Have a Happy Valentine's Day!

Pete
