## President's Note – Sept

Yikes! Hard to believe that summer is winding down and although I will miss it, I do love the fall with it's crisp cool weather. (So does my T) Also, Fall is a great time for foliage peeping and picnics, so stay tuned to Jack's calendar

*Fair season* is now upon us. We've already started with Lebanon fair which will be followed by Brooklyn, Woodstock, Big E, and finally a trip to Mystic. And a note about the fairs...if the cutaway engine is being displayed, please stop by and lend Jack and Marge a hand answering questions about the engine or our club. They do an exceptional job representing us so lets show some support for them.

I'm pleased to announce that we have a new member, Greg Canova. Many of you met him at our last meeting. He resides in Mystic and currently drives a 1913 Touring. Welcome Greg!

And more good news... George has bought a new /old car. It is a 1900 Orient and is in remarkable shape especially considering it's age. What is even more amazing... it appears not to be missing any parts! What a great find! We know what George will be doing this winter! (picture enclosed)

Don't forget to hold the date of Sunday November 17 for the annual business meeting / Christmas party.

Happy Motoring  
Pete
