

Marin reports that the Main Moose is open for the season and reports we'll hafta get there this year again..

Any takers??

I don't know if that little T is any match for that moose!!!!!! What do you think?

It looks like a nice place to visit and take a break.

Heard about town.

Or

Upcoming events.

FOUR SEASONS MODEL 'T' ASSOCIATION

EST. 1998
JUNE 2022

PRESIDENT'S REPORT

Hello Members ,

I would like to thank the 13 members that found the time to come. It was a good showing and we accomplished a good amount.

I would say that was a real **good soup !!!! Thanks to Anne, I will nominate** her as the Chief Cook !! The soup was called chopped pickle soup made from a Polish recipe. It was so good that I will have my Cook make some. But it might not be as good.

Some of us went to Johns pond and looked at the fish as John fed them they came and there were big like I ever saw. John said they weighed around 6 or 7 lbs. If you asked me they were all of 10-12 lbs. When the fish came to the top to eat, they just about came out of the water. They were rain bow ,big mouth bass and some other kind of yellow in color fish. They were all big from eating so good.

We also made progress on the up coming tours. We are planing a trip to Hudson Ma. To the American Heritage Museum. I would like to go on a Thursday in June but we will set a date at the next meeting on June 8th, so attend and tell me what you think or call me at 860-818-0762

Their web site is the name of the Museum.
