

# TIN LIZZIE GAZETTE

APRIL 2019

VOLUME XV

ISSUE 4

Just hang in there  
and he will paint  
your truck next

**Correction** on the car in front of the old Meeting House license number 38169 with the YYCC Medallion on the lower corner winged radiator cap and spotlight belongs to Karl H. That picture was taken right after I bought it from George King I only ran the black wall tires for a few months and change them to new white walls I believe the year was 2001 Sorry Karl

And now a note from our President?????  
{ our President is the one with the hat }

## President's Note – April

With spring upon us it's time to dust off the MTFCA Safety Checklist and get busy checking O'l Lizzie out. The checklist is a good guide to follow so that you don't overlook something important. If you wish to get a copy, just goggle the following: "MTFCA Safety Checklist". I have started the process for this year, as has George. In fact, George discovered a crack in his reverse transmission drum. This underscores why it's so important to start the inspection process as soon as you are able.

Also with spring, comes the *Empty Bowl Fund Raiser Dinner* at Parish Hill High School. We always have a great turnout for this very worthwhile event and I hope most everyone can make it again this year. You will never leave hungry!

Our "T" activities are starting a little earlier than usual this year since we have been invited by Norwich Tech's Automotive Group to talk about *Yesterday's Technology, Today*. It will be a similar program as last year, giving rides to the students, answering lots of questions and demonstrating the workings of a Model T engine via the cutaway. The event is May 9<sup>th</sup>. We do need however a very strong turnout of members for this event as we will be giving multiple rides to 30 + students. Even if you are unable to bring your vehicle please plan on coming to the event. The more the merrier. More details will be forthcoming but mark your calendar now before you forget. May 9th

That's about it for now. Be sure to check out Jack's Upcoming Events

Happy Motoring (finally)  
Peter Smith
