

TIN LIZZIE GAZETTE

OCTOBER / NOVEMBER

VOLUME XIX

ISSUE 10

Hello my Spooky Friends:

The one thing to think about is the Annual Meeting that must be on the record for 2023. The meeting will be at the Scotland Fire House, {thanks to Jim} , at 12 noon or when the Ham arrives. { thanks to John}, The address is 47 Brook Rd, Scotland, CT 06264 . There is a oven and stove there to use to keep food warm.

It is important to let PETE know if you are coming and if you are bringing a food entree. The head count must be had for the size of the Turkey he has to order. Thank you to those that talked to PETE already.

If you want to bring a gift to be handed out that is fine, if not that is ok also. Keep the cast around \$10.00. And rap it, just mark it M or F . == THANKS JACK

Concourse de Barnyard Update**

We have about a 50-50 chance of getting some rain on Sunday. The rain plan is this. We are still going to have a gathering. If it is too wet to drive an old car, bring a new one and just join us in the dining room. I am cooking turkey soup on Saturday and we are going to eat it on Sunday. If you are not here, we may mail you some. Our first exhibitor, Jay Meyers, arrived today from Arizona and we are not sending home without a good gathering. Thank You George
