October, 2018

Volume XIV, ISSUE, 10

Look's like driving time to me.

AND NOW A WORD FROM OUR PRESIDENT

We started September with a very enthusiastic response to the showing of our cutaway engine at both the Brooklyn Fair and Woodstock Fairs. Jack and Marge carried the load by securing

great spots to showcase the engine and Jack talked non-stop for days about it to anyone who even made the slightest eye contact with him. Our club certainly got noticed this year! We were also kept busy last month with several car shows and swap meets; and finally we topped off the month with about a dozen members (& seven cars) participating in the *By Land and By Sea* event in Mystic. A busy month...lots of fun!

Don't forget to mark your calendars for our Annual Business Meeting and Holiday Party. Nov 28th, Scotland Firehouse. In recognition of our 20th Anniversary, the Show & Tell table will display people / club events over the past 20 years. As such, we need your help. If you have anything to share such as photographs, newspaper articles, old newsletters etc please give Marty a call (860) 456-3220) to discuss. Similarly, please call Ed (860 213-0819) if you have pictures of members who have past away, as we would like to make a remembrance display as well. Dinner for this annual event will be organized the same as always; Turkey & Ham will be our main dishes, supported by numerous "sides", breads, etc. Please email me with what whatever you wish to bring. We always eat very well due to everyone's efforts and culinary expertise... and it's much appreciated!
