President Note
Sept. & Oct.
2023

Hi Members:

The meeting was held to night even if was raining. We talked about the Fairs and what they had to offer. As we heard the rain out side I talked about the Brooklyn fair and how it rained on the first two days. and then it was sunny and hot Friday & Saturday. The people came and we were busy as beavers. There were 5 cars and one truck. John came two days and helped talk about the Cut-A-Way. One day he brought his truck and smoky then the next day the Touring. Marty came with his Speedster, And was kept busy talking about that. Pete leaves his car there all weekend under the tent and so do I. Thank You to them .

Then there was Woodstock witch 8 members and 6 cars showed up. Thanks to them also.

We got new hats in and Marge & I could not get the exact same color so the new hats are Coffee and Khaki. they do look good. They come in both mesh and solid. The price is \$20.00 and well worth it .

We talked about the Annual Meeting on Nov.12,2023. If anyone sees Ron ask if he will do the turkey.--He is a good cook -- John will cook the ham--he does a good job on that -- anyone else that will bring some thing call Pete he is in charge of the meal. Yes it is all on him, so call 860-429-3193. if no answer call again and ask if he was playing with the ducks.

Thank You, Jack

Good afternoon --- I was unable to get to the meeting last night but I do want to remind you that the Concourse de Barnyard will be next month, on Sunday, October 15. My address is 859 Route 32, North Franklin. No RSVP is needed and feel free to bring anyone with you. As always, we will have turkey soup for all the attend. If you want to bring something for the attendees, please feel free to do so.

The hours are from whenever the first people show up until the last one leaves. If you are the first, just bring the donuts. If it rains, we will eat donuts in the house.

Anyone who wants to help me get set up a few days before, just give me a call at 860-428-3519.
